2nd District Commissioner

03/20/2020

By order of the Montgomery County Commission effective Monday March 23, 2020 and until further notice the Montgomery County Courthouse and Montgomery County Annex Building will institute a policy of limited access. All offices will be open and able to meet citizen needs, however it is strongly suggested if you need to enter the building call the appropriate office, let the personnel know when you will arrive and arrangements will be made to assist you. Upon entering the building you are requested to go directly to the office needed and when leaving you are again asked to directly exit the building.

WE APOLOGIZE FOR ANY INCONVENIENCE THIS POLICY MAY CAUSE BUT THE HEALTH AND SAFETY OF OUR EMPLOYEES AND THEIR FAMILIES IS OUR PRIMARY FOCUS.

THANK YOU FOR YOUR PATIENCE IN THIS MATTER.

As always if you have any questions or concerns please contact the county commission at (573) 564-8091
